

Assistant Catechist Training Session – 2011-12

Tuesday, September 13

or

Tuesday, September 20

5:30-7:00 p.m.

Room 209 (Religious Education Office)

The Catechesis of the Good Shepherd philosophy states “The adult’s role is to prepare the environment and to make presentations that call forth the child’s response rather than pour in information.” This session is meant to better prepare assistant catechists for their role with the children and catechists in the atrium. Even if you have assisted in the past, your participation in this session will better familiarize you with the staff, other catechists and assistants, the environment, the guidelines, and the principles of the Catechesis. Come and see how you can best prepare yourself to assist God’s beloved children in their growing relationship with the Good Shepherd. You only need to attend one session. Please call Jan or Karen at (763) 545-1443 if you are unable to attend or if you will need childcare.
